Crown & Drive Set for 38mm Tube & 25mm Motors

PRODUCT OVERVIEW

Tube size:	38 mm (1 1/2 in) selected aluminum tube
Motor size:	Compatible 25 mm tubular motors
Included:	One crown and drive set

COMPATIBILITY CHECK

Confirm the exact motor body, drive interface and tube internal profile.
The nominal tube diameter alone does not guarantee fit.
Motor, tube, brackets and controls are sold separately unless stated in the listing.
